### Welcome All!

*Were pleased to be sending you our latest newsletter! We've not sent one for a while but hope to be keeping you up to date on a regular basis, not here but also on our website too! We'd like to give a big warm welcome to all our new staff and residents at The Bush. We would also like to extend our welcome to the relatives and visitors of our new residents.*

What's new?

We have been preparing for Easter, we have decorated the home with the help of our fantastic residents & have created Easter decorations and Easter bonnets! We will be judging your Easter bonnets & the best one will win a prize!!!

Darlaston Methodist Church has also attended and carried out an Easter service. They even donated some Easter eggs, which were enjoyed by all!

We have had some fantastic books delivered by the library service, if you would like to use the service please speak to staff within the home and we will happily arrange this! We are also using the AIS (The Accessible

Information Standard) If you need any information in a different format please let us know and we will be happy to support you!

We will be renovating the garden in May and we will be growing a herb garden as suggested by residents in the last meeting, We will need your help, if your able stick on some of

our gardening gloves and feel free to 'muck in!'. We will also be utilising the herbs in our kitchen for your delicious meals! If anyone would like to donate any plants for our garden it would be appreciated by all!

## Special notice to residents and families

We have a number of items that are unlabelled in the laundry, If you have lost any items please give Linda our Laundry assistant a poke and she will be happy to assist you.

## We need your reviews!

As you all will know our staff follow a plan of care specially tailored to your individual needs, we will be holding monthly reviews on care plans and we would appreciate your input and help us to perfect your care and to make sure you agree with your plan of care. You are welcome to bring your family/friends along with you. If you would like to see your care plan at any time, please ask the staff and they will be happy to assist you.

As part of a growing organisation we thrive to improve the service that we deliver to you, if you have any ideas that could help us improve further please let us know! We would be very grateful. If you have any compliments or concerns, please speak to the team.
